

# MASON GAME & TECHNOLOGY ACADEMY

## Why take a Cybersecurity Class?

- Learn to protect yourself and your family
  - Computers
  - Phones
- Understand that your “friends” may not be who you think they are
- Understand what does being safe online mean
- Understand the different types of hacking
- Understand the difference between White Hat and Black Hat hackers
- Know the different ways hackers can get your information besides online
- Know how to correct issues when they occur

## What Industries are attacked?

*Learning the “White Hat” skills today will help protect your tomorrow!*
